

Memo

To: Residents of the City of Statham
From: City of Statham Sanitation Department
RE: Household Garbage Pick-up Service

Your garbage pick-up day is: (CIRCLE ONE) MONDAY TUESDAY WEDNESDAY

In order to provide you a better and more reliable service, the City of Statham operates an automated garbage truck for your weekly garbage pick-up.

1. The City will provide one (1) 68-gallon trash container to you free of charge after you have applied and signed for a container. The container is numbered and will be recorded in your utility account. (If you require a larger container, you may request an upgrade to a 96-gallon container. There will be a one-time charge of \$10.00 that must be paid at the time of your request. A one-time fee of \$45.00 will apply should you need an additional 64-gallon container. Note: 96-gallon container = \$55.)
2. It is your responsibility to keep up with your container and to keep it clean. To help you keep your container clean and free of insects and maggots, you **must** use plastic bags for disposal of your garbage. This will also help prevent possible spillage or wind-blown debris.
3. For garbage pick-up, your container **must** be placed in the location designated by the City of Statham Sanitation Department. The container should be sitting level and even with the street. (If you should have more than one (1) container, they should be placed at least **five (5) feet apart.**) **The arrows on the top of the lid must be facing the street and the top must be closed.**
4. Effective January 14, 2002, the Sanitation Department will **NOT** pick up any garbage that is not in the container, nor if the container is not placed in the proper location.
5. It is your responsibility that the container is placed in the designated location by 7AM on the scheduled pick-up day to ensure removal of household garbage.
6. Garbage containers must be moved off the street once emptied by the City of Statham Sanitation Department.

The Sanitation Department and City Hall will be closed on the following holidays:

Monday

Martin Luther King Day
Memorial Day
Labor Day

Other Days (which may affect service)

New Year's Day
Independence Day
Christmas Day
The day before or after Christmas Day

Thursday/Friday

Thanksgiving Day
Day after Thanksgiving

When a holiday affects Sanitation service days, please have your container in place by 7AM for pick-up on the next day. Example: If your scheduled day is Tuesday or Wednesday after a holiday on Monday, have your container in place as usual, but keep in mind that pick-up may be later than usual.

In addition to the household garbage service above, the City of Statham has contracted with a private sanitation service to pick up household items such as appliances, furniture, etc. There is a fee for this service that is to be paid to the City prior to the items being picked up.

Thank you for your cooperation. If you have any questions about your sanitation service, please call us @ **770-725-5455**.
