

**GRADING PERMIT APPLICATION**

Any permit issued for grading will expire within sixty (60) calendar days if work has not commenced or if activities lapse and the project is abandoned for a period exceeding thirty (30) calendar days. This will require the contractor to submit a new grading permit for re-approval. All soil erosion control measures as shown and as approved shall be in place and maintained at all times during the clearing and grubbing activities. **4.2.2 Development Regulations**

A permit shall not be interpreted to relieve any developer or sub divider of any responsibility of maintaining full compliance with all codes, ordinances, and other regulations of the City of Statham except as mended by an approved Variance or other relief granted through applicable formal appeal procedures for a specific property or application. Any permit issued in error in contradiction to the provisions of an adopted code, ordinance, or regulation of the City of Statham shall be considered to have been null and void upon its issuance. **4.1.5 Development Regulations**
